TUBERCLE

Index to Volume 66 (1985)

Action of antituberculosis drugs in short course chemotherapy, The — 219
Altes C., Steele, J., Standford, J. L., Rook, G. A. W.: The effect of lymphokines on the ability of macrophages to protect mycobacteria from a bactericidal antibiotic 261
Aluoch, J. A., Swai, O. B., Edwards, E. A., Stott, H., Darbyshire, J. H., Fox, W. and Stephens, R. J.: Studies of case-finding for pulmonary tuberculosis in outpatients at 4 district hospitals in Kenya 237
Aziz, S. and Haq, G.: The Mantoux reaction in pulmonary tuberculosis 133

Banks, J., Jenkins, P. A. and Smith, A. P.: Pulmonary infection with *Mycobacterium malmoense*—a review of treatment and response
Bassiony, M. R.: see Hafez, M. and others
BCG vaccination against non-tuberculous Mycobacterial infections, Prophylactic effect in mice of — 117
BCG vaccination, local complications of — 158
Bone and joint tuberculosis 25 years after development of lupus vulgaris, Disseminated — 145
Beck, J. S.: see Grange, J. M. and others
Benjah, F.: see Papiha, S. S. and others
Bhargavo, S.: see Tandon, P. N.
Brown, C. A., Brown, I. A. and Swinburne, S.: The effect of oral *Mycobacterium vaccae* on subsequent responses of mice to BCG sensitization 251
Brown, I. A.: see Brown, C. A. and others
Brown, I. N.: see Prioli, R. P. and others
Brown, R. C.: see Grange, J. M. and others

Case-finding for pulmonary tuberculosis in outpatients at 4 district hospitals in Kenya, Studies of — 237
Chemotherapy for pulmonary tuberculosis in a rural area of China, Supervised intermittent — 1
Circulating immunoglobulin levels in Indian patients with pulmonary tuberculosis, Human leukocyte antigens and — 25
Clague, H., Hopkins, C. A., Roberts, C. and Jenkins, P. A.: Pulmonary infection with *Mycobacterium gordonae* in the presence of bronchial carcinoma 61
Clague, H.: see Roberts, C. and others
Cohn, J. R., Fye, D. L., Sills, J. M. and Francos, G. C.: Rifampicin-induced renal failure 289
Collins, F. M.: Protection to mice afforded by BCG vaccines against an aerogenic challenge by three mycobacteria of decreasing virulence 267
Collins, F. M.: see Orme, I. M.
Colonic tuberculosis presenting with massive rectal bleeding 295
Connolly, M. J., Macgee, J. G. and Hendrick, D. J.: *Mycobacterium malmoense* in the North-East of England 211
Cooke, N. J.: see Williams, S. E. and others
Counting Mycobacteria — comparison of methods for extraction of mycobacterial adenosine triphosphate (ATP) determined by firefly luciferase assay, Rapid methods for — 99

Dalton-Clarke, H. J.: see Pozniak, A. L. and others
Darbyshire, J. H.: see Aluoch, J. A. and others
Davies, P. D. O.: A possible link between vitamin D deficiency and impaired host defence to *Mycobacterium tuberculosis* 301
Davies, P. D. O.: see Grange, J. M. and others
Dermal reaction to tuberculin: a failure to distinguish between tuberculosis and other respiratory disease, A clinical evaluation of the diagnostic usefulness of an early — 129
Dickson, J. M. and Mitchison, D. A.: Activity of the combination of fludalanine and cycloserine against Mycobacteria *in vitro*

Ebeid, O.: see Grange, J. M. and others
Edwards, E. A.: see Alouch, J. A. and others
Edwards, M. L.: see Ziegler, J. E. and others
El-Salab, S. H.: see Hafez, M. and others
El-Shennaway, F.: see Hafez, M. and others
Epidemiology of tuberculosis, The impact of treatment on the — 69
Exogenous reinfection in experimental airborne tuberculosis 121

Falkner, M. J., Reeve, P. A. and Locket, S.: The diagnosis of tuberculous ascites in a rural African community 55
Fludalanine and cycloserine against Mycobacteria *in vitro*, Activity of the combination of — 109
Fox, W.: see Aluoch, J. A. and others
Francos, G. C.: see Cohn, J. R. and others
Fye, D. L.: see Cohn, J. R. and others

Genital tract, Tuberculosis of the female — 79

Goldman, K. P.: A new diagnostic test for tuberculous meningitis (leading article) 157
Goldman, K. P.: Treatment of local complications of BCG vaccination (leading article) 158
Govindan, D.: see Paramasivan, C. N. and others
Grange, J. M., Davies, P. D. O., Brown, R. C., Woodhead, J. S. and Kardjito, T.: A study of vitamin D levels in Indonesian patients with untreated pulmonary tuberculosis 187
Grange, J. M., Kardjito, T., Beck, J. S., Ebeid, O., Kohler, W. and Prokop, O.: Haptoglobin: an immunoregulatory role in tuberculosis? 41
Grange, J. M.: see Kardjito, T.
Grzybowski, S.: The impact of treatment programmes on the epidemiology of tuberculosis (leading article) 69

Haptoglobin: an immunoregulatory role in tuberculosis? 41
Hafez, M., El-Salab, SH., El-Shennawy, F. and Bassiony, M. R.: HLA-antigens and tuberculosis in the Egyptian population
Haq, G.: see Aziz, S.
Hendrick, D. J.: see Connolly, M. J. and others
HLA-antigens and tuberculosis in the Egyptian population 35
Hopkins, C. A.: see Clague, H. and others

Intracranial tuberculoma—a CT study, Effect of medical treatment on — 85

Jagannath, C., Sengupta, D. N. and Kasinathan, S.: Serology of tuberculosis III. Crossed immunoelectrophoretic analysis of sera from tuberculosis and leprosy patients with antigens from BCG 277
Jenkins, P. A.: *Mycobacterium malmoense*
Jenkins, P. A.: see Banks, J. and others
Jenkins, P. A.: see Clague, H. and others
Jenkins, P. A.: see Roberts, C and others

Kan, G-q., Zhang, L-x., Wu, J-c., Ma, Z-l., Liu, C-w. and Sun, F-z.: Supervised intermittent chemotherapy for pulmonary tuberculosis in a rural area of China 1
Kang, S.: see White, J. P. and others
de Kantor, I. N. and Nelida, C. I.: Culture of *Mycobacterium tuberculosis* from non-fixed sputum smears 137
Kardjito, T. and Grange, J. M.: A clinical evaluation of the diagnostic usefulness of an early dermal reaction to tuberculin: a failure to distinguish between tuberculosis and other respiratory disease 129
Kardjito, T.: see Grange, J. M. and others
Kasinathan, S.: see Jagannath, C. and others
Kilpatrick, G. S.: see White, G. P. and others
Kohler, W.: see Grange, J. M. and others

Liu, C-w.: see Kan, G-q. and others
Locket, S.: see Falkner, M. J. and others
Lymphokines on the ability of macrophages to protect mycobacteria from a bactericidal antibiotic, The effect of — 261

Ma, Z-l.: see Kan, G-q. and others
Macgee, J. G.: see Connolly, M. J. and others
Mantoux reaction in pulmonary tuberculosis, The — 133
Mitchison, D. A.: The action of antituberculosis drugs in short-course chemotherapy 227
Mitchison. D. A.: see Dickson, J. M.
Musa, S.: see Smith, D. and others
Mycobacterium malmoense 193
Mycobacterium malmoense: a report of 4 cases, Pulmonary infection with — 205
Mycobacterium malmoense: — a review of treatment and response, Pulmonary infection with 197
Mycobacterium malmoense in the North-East of England 211
Mycobacterium gordonae in the presence of bronchial carcinoma, Pulmonary infection with — 61
Mycobacterium szulgai — A case report of cutaneous infection 65
Mycobacterium vaccae. on subsequent responses. The effect of — 251

Nelida, C. I.: see de Kantor, I. N.
Non-tuberculous mycobacteria from South Indian BCG trial area during 1981, Species level identification of — 9

Orme, I. M. and Collins, F. M.: Prophylactic effect in mice of BCG vaccination against non-tuberculous Mycobacterial infections 117

Papiha, S. S., Wentzel, J. and Benjati, F.: Human leukocyte antigens and circulating immunoglobin levels in Indian patients with pulmonary tuberculosis 25
Paramasivan, C. N., Govindan, D., Prabhakar, R., Somasundaram, P. R., Subbammal, S. and Tripathy, S. P.: Species level identification of non-tuberculous mycobacteria from South Indian BCG trial area during 1981 9
Peacock, M.: see Williams, S. E. and others
Pleuroscopy in the diagnosis of pleural effusion using a fiberoptic bronchoscope 141
Pozniak, A. L., Dalton-Clarke, H. J. and Ralphs, D. N. L.: Colonic tuberculosis presenting with massive rectal bleeding 295
Prabhakar, R.: see Paramasivan, C. N. and others
Prioli, R. P., Tanna, A. and Brown, I. N.: Rapid methods for counting Mycobacteria—comparison of methods for extraction of mycobacterial adenosine triphosphate (ATP) determined by firefly luciferase assay 99
Prokop, O.: see Grange, J. M. and others

Protection to mice afforded by BCG vaccines against an aerogenic challenge by three mycobacteria of decreasing virulence 267
Purohit, S. D.: see Sarkar, S. K. and others

Ralphs, D. N. L.: see Pozniak, A. L. and others
Ram, M.: see Sarkar, S. K. and others
Reeser, P.: see Smith, D. and others
Reeve, P. A.: see Falkner, M. J. and others
Refugee camp: Epidemiology, management and therapeutic results, Tuberculosis in an Indo-Chinese — 179
Rieder, H. L.: Tuberculosis in an Indo-Chinese refugee camp: Epidemiology, management 179
Rifampicin-induced renal failure 289
